Day 2:

Date: 21.03.2023

Time: 8 am- 5 pm

On the Second day, 21st March, a **cleanliness campaign on 'Swachhata'** was held at 'Malancha' village, adopted by Balurghat College from 8 am. All volunteers were divided into small groups and cleaned the village road, outside areas of house and sprinkled bleaching powder and spread awareness about cleanliness and its benefits. The volunteers took a short break for lunch from 1pm to 2pm and rest of the day was spent doing the survey under the supervision of **Dr. Dulal Barman, Programme Officer, NSS unit-I.**

Day 3:

Date: 22.03.2023

Time: 8 am- 5 pm

On the Third day of special camp, 22nd March, 2023, the volunteers of the NSS unit-1, gave **free teaching to the childrens of the village Malancha** and aware them about the health and hygiene of our daily life. They also try to motivate the childrens about the education by some attractive away of teaching. They also motivate and encourage them to go to the nearest primary school daily. After that volunteers take Tiffin at 2 pm and after that they continue the next session. NSS Programme Officer of unit-I, Dulal Barman conducted the program successfully.

Day 4:

Date: 23.03.2023

Time: 8 am- 5 pm

On the fourth day, 23rd March, 2023, plantations of saplings are done by the volunteers of the NSS unit-1, Balurghat College at the village Malancha. Total 50 no. of saplings are planted at the village. Some saplings are distributed among the villagers. The volunteers aware the villagers about the benefits of tree in our environment. The volunteers helped the villagers to plant the saplings given to them. The volunteers took a short break for lunch from 1pm to 2pm and rest of the day was spent doing the campaign under the supervision of **Dr. Dulal Barman, Programme Officer, NSS unit-I.**

Day 5:

Date: 24.03.2023

Time: 8 am- 5 pm

On the fifth day, 24th March, 2023, a door to door *Thalassemia awareness campaign* was organized by the NSS unit I, Balurghat College with the help of District Thalassemia Control unit, Dakshin Dinajpur District Hospital, from 11am to create awareness among the villagers. The volunteers distributed the leaflets among the villagers of Malancha and aware them about the diseases.

As we know Thalassemia is an inherited blood disorder that affects the body's ability to produce hemoglobin and RBC and it is quite common in Dakshin Dinajpur district. Untreated Thalassemia can even lead to organ failure. So it is necessary to spread awareness among the people.

The volunteers took a short break for lunch from 1pm to 2pm and rest of the day was spent doing the campaign under the supervision of **Dr. Dulal Barman, Programme Officer, NSS unit-I.**

Day 6:

Date: 25.03.2023

Time: 8 am- 5 pm

On the sixth day, 25th March, 2023, the volunteers of NSS unit-1 had done **Awareness programme on Girl Child Education**. All volunteers were divided into small groups and they met with the Mothers have girl child of village. Volunteers make them understand about the importance of literacy. Helping Mothers gain literacy skills helps reduce poverty, improve public health, and advance human rights around the world. They often fail to see the value of education for their own girl-children resulting in perpetuation of the poverty cycle that afflict most illiterates. Volunteers try to teach them about some preliminary lessons. The volunteers took a short break for lunch from 1pm to 2pm and rest of the day was spent doing the adult literacy under the supervision of **Dr. Dulal Barman, Programme Officer, NSS unit-I.**

Day 7:

Date: 26.03.2023

Time: 8 am- 4 pm

An awareness program on 'POCSO Act-2012' was held at Malancha village, adopted by Balurghat College on 26th March 2023. P.O. Dr. Dulal Barman with some selected volunteers of NSS unit-I aware the people of village about various aspects of this act and try to make them understand about the importance of this. The Protection of Children from Sexual Offences Act, 2012 was enacted to provide a robust legal framework for the protection of children from offences of sexual assault, sexual harassment and pornography, while safeguarding the interest of the child at every stage of the judicial process. P.O. Dr. Dulal Barman tries to teach them about some preliminary lessons. The volunteers took a short break for lunch from 1pm to 2pm and rest of the day was spent doing the POSCO Act under the supervision of **Dr. Dulal Barman, Programme Officer, NSS unit-I**. 20 numbers of volunteers are participated in this program. *NSS Programme Officer of unit-I, Dr. Dulal Barman was conducted successfully.*

Volunteers talking to a mother of a girl child of the village and motivate her to educate her girl-child and aware her about the importance of child education in society.
