Report

বালুরঘাট কলেজের বাংলা বিভাগের উদ্যোগে শুরু হয়েছে বর্ষব্যাপী আন্তঃকলেজ ও আন্তঃবিভাগীয় বক্তৃতামালা। গত ১৩ এপ্রিল ২০২৩ এ এই বক্তৃতামালার প্রথম বক্তৃতাটি ছিল বালুরঘাট কলেজের অধ্যক্ষ ড. পঙ্কজ কুণ্ডু মহাশয়ের। তাঁর আলোচনার বিষয় ছিল 'আর্থ সামাজিক দৃষ্টিকোণে পুতুল নাচের ইতিকথা' উপন্যাস। একজন সমাজ বিজ্ঞানীর দৃষ্টিতে 'পুতুল নাচের ইতিকথা'র সমাজ আজও যে কত প্রাসঙ্গিক সে সম্পর্কে তিনি দীর্ঘ আলোচনা করলেন। এরপরের বক্তৃতাটি ছিল বালুরঘাট মহিলা মহাবিদ্যালয়ের ইংরেজি বিভাগের অধ্যাপক ড. মধুসূদন চৌধুরীর। তাঁর বিষয় 'কাগজ পড়া বই পড়া প্রেক্ষিত পাঠক প্রতিক্রিয়াবাদ'। পাঠকের সক্রিয় অংশগ্রহণে কোনও টেক্সট কিভাবে নতুন তাৎপর্য পেতে থাকে, পাঠক প্রতিক্রিয়ার সেই তত্ত্ব বাংলা সাহিত্য থেকে উদাহরণ দিয়ে বিশ্লেষণ করে দেখালেন ডঃ মধুসূদন চৌধুরী। বাংলা বিভাগের এই উদ্যোগ অবশ্যই প্রশংসনীয়।

Report on Uncovering of Wall-magazine

Department of Zoology

Date: 02.06.2023

Time: 4 PM

The uncovering of Wall magazine of Zoology department, named "Zoo-mania" was done by the honourable Principal of Balurghat College, Dr. Pankaj Kundu on 1st June 2023 at 1 PM at Department of Zoology. Total 19 Students of Sem-II, IV and VI contributed and participated in preparation and publication of this Wall-magazine. The students spent their times and efforts to create the contents of the Wall-magazine and to publish and present the contents in an artistic way outside their class-times. An informative and refreshing discussion was made by Dr. Pankaj Kundu, honourable Principal of Balurghat College to motivate and inspire the students in scientific studies and observations. Different current topics related to biology of animals and interesting informations were displayed and presented in a beautiful honey-bee-hive structured wall-magazine that perfectly reflected their affection to the subject Zoology and their artistic sense.

ZOOMANIA

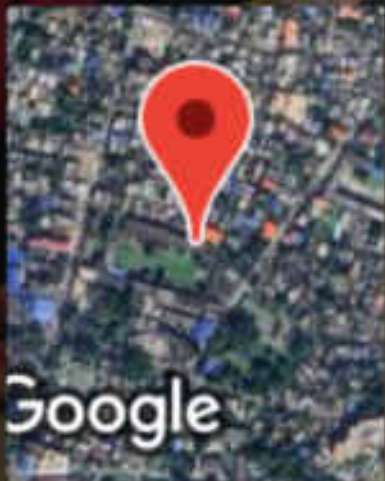

A large black poster board decorated with a honey drip border at the top. The board features a central cluster of yellow hexagons containing text and images. Surrounding the hexagons are various bee illustrations, including a bee in a hard hat, a queen bee, and several smaller bees. There are also colorful rectangular notes in pink, orange, and green. At the bottom left, there are several orange sunflowers with green leaves. At the bottom right, there are blue flowers and a brown honey dipper. A small circular sticker with the word 'SUN' is visible on the left side.

Answer the following questions. (Any 30)

1. Name an organism having pseudocoelom.
2. Nematocysts are found in phylum
3. Radula is a rasping organ found in
4. Name the excretory structures found in phylum Arthropoda.
5. Fishes have 3 chambered heart. (True/ False)
6. Give one example of Phylum Cnidaria (scientific names)
7. Nephridia is a respiratory organ. (True/ False)
8. Give an example of Arthropoda.
9. Water vascular system is found in phylum
10. Name a fresh water cnidarian.
11. Name a phylum which is exclusively marine.
12. *Ascaris* is acoelomate. (True/ False)
13. Mantle and foot are characteristic feature of phylum
14. Earthworm belongs to phylum
15. Name the hormone secreted from Pancreas.
16. Which endocrine gland secretes vasopressin?
17. Name the causative agent of disease malaria.
18. *Aurelia* and *Obelia* belongs to phylum.....
19. Starting of menstruation is known as
20. Which term was used by Mendel for genes?
21. Which type of cell division is exclusively found in germ cell production?
22. Which is the largest leucocyte?
23. Which node in heart is called pacemaker?
24. Name the valve present between right auricle and right ventricle of human heart.
25. Write the full form of PCR used in biotechnology.
26. Which phase is the longest phase in cell cycle?
27. Crossing over takes place during stage of Prophase I of meiosis.
28. Which scientist is called father of taxonomy?
29. Name a vector of dengue disease.
30. Protein is a heteropolymer. (True/ False)
31. The function of ribosome is synthesis.
32. Give an example of bony fish.
33. *Taenia solium*, belongs to phylum
34. Give example of eukaryotic cell that is devoid of nucleus.
35. Which cell organelle is found only in animal cells?
36. Name the start codon.
37. In which class do you belong in?
38. Name the book authored by Darwin.
39. Who proposed the theory of natural selection?
40. Sertoli cell is found in

NOTICE

Subject: Student Mentoring Programme for B.A General Students

This is to inform the Bachelor of Arts General students at Balurghat College that a Student Mentoring Programme has been scheduled to take place on 13th December 2022. This initiative is designed to foster a supportive environment, enhance academic performance, and help students navigate challenges effectively.

Details of the Programme:

Date: 13th December 2022

Venue: Balurghat College, Room No: SJ-8

Time: 12 PM

Please arrive on time and bring any relevant academic materials or questions you may have for your mentor.

We encourage all students to actively participate in this programme as it will be a valuable opportunity to receive personalized guidance and support. Your success is our priority. This initiative is designed to foster a supportive environment, enhance academic performance, and help students navigate challenges effectively.

Thank you for your cooperation.

Sincerely,

Dr. Poulami Chakraborty
Assistant Professor
Department of Philosophy
Balurghat College

Report on Student Mentoring Programme for B.A General Students

The Student Mentoring Programme for Bachelor of Arts General students at Balurghat College, held on 13th December 2022, was a resounding success, fostering a positive and enriching experience for both mentors and mentees.

Programme Overview:

The mentoring programme kicked off with an introduction session, setting the tone for the day. The participating students were then assigned to their respective mentors based on academic interests, ensuring a tailored and meaningful mentoring experience.

Mentoring Sessions:

The one-on-one mentoring sessions provided an opportunity for students to engage in open and insightful discussions with their mentors. Mentors shared valuable insights, academic strategies, and personal experiences, offering guidance on course selection, career planning, and overall academic success. The mentees, in turn, actively participated, seeking advice on academic challenges and receiving constructive feedback.

Q&A and Feedback:

The programme concluded with a Q&A session, where students had the chance to seek further clarification and guidance. Mentors provided thoughtful responses, addressing various concerns raised by the students. Additionally, feedback forms were distributed to assess the effectiveness of the programme, ensuring continuous improvement for future mentoring initiatives.

Outcomes and Achievements:

Increased Student Engagement: The mentoring programme saw active participation from both mentors and mentees, fostering a sense of community and support within the student body.

Enhanced Academic Guidance: Students gained valuable insights into effective study strategies, time management, and goal setting, contributing to improved academic performance.

Personalized Support: The one-on-one nature of the mentoring sessions allowed for personalized guidance, addressing individual concerns and providing tailored advice to each student.

Recommendations for Future Programmes:

Implement regular follow-up sessions to track the progress of mentees and address any evolving challenges.

Expand the mentoring programme to include additional academic and personal development topics to further enrich the student experience.

Acknowledgements:

We extend our gratitude to all the mentors who generously shared their time, expertise, and wisdom to make this programme a success. Special thanks to the participating students for their active engagement and enthusiasm throughout the mentoring sessions.

The Student Mentoring Programme has proven to be a valuable initiative in promoting academic success and personal growth. We look forward to building on this success and organizing similar events in the future.

Sincerely,

Dr. Poulami Chakraborty
Assistant Professor
Department of Philosophy
Balurghat College

Report of the Power Point Presentation held on 26th April 2023 at Department of Geography, Balurghat College

A combination of various slides depicting a graphical and visual interpretation of data, to present information in a more creative and interactive manner is called a PowerPoint presentation or PPT. Power Point can be used to prepare lectures and presentations by helping instructors refine their material to salient points and content. Class lectures can be typed in outline format, which can then be refined as slides. Microsoft PowerPoint is commonly used to create slide show presentations. Typically these include a combination of text, tables, images, charts, and graphics. Using PowerPoint can help students' present information in multiple ways (a multimodal approach) through the projection of color, images, and video for the visual mode; sound and music for the auditory mode; text and writing prompts for the reading/writing mode; and interactive slides that ask students to do something.

PPT presentation is introduced in the Department of Geography with the sole purpose of catering to the needs of the students in the academic and personal level. A successful PPT presentation for B.Sc. II Semester Geography Honours students was held on 26th April 2023 at 12.30 pm onwards at Department of Geography Room No 2.

All the Faculty member of this Department attended the PPT presentation by the students of B.Sc 2nd Semester Geography Honours on the various topics related to Paper DC3A and Paper DC4A. In this PPT presentation 24 students presented their PPT on Paper DC3A and DC4A each. Some of the topics of PPT presentations are -Types of Rural Settlement, Smart City Concept, Concentric zone theory, CBD, Conurbation, Bar Graph, Choropleth Map, Dot Map, Sphere Diagram, Line Graph, Scientific Notation etc.

During the PPT presentation session Faculty members asked some questions to the PPT presenters to judge the insight knowledge of the presenter regarding the presented topic.

LINE GRAPH

PREPARED BY: SAMINA KHATUN

LINE GRAPH

The graph is a pictorial representation of data. It is a line graph showing the change in the number of students in a school over a period of five years. The x-axis represents the year and the y-axis represents the number of students. The line starts at 100 in 2017, rises to 120 in 2018, falls to 110 in 2019, rises to 130 in 2020, and falls to 120 in 2021. The graph shows an overall upward trend in the number of students over the five-year period.

FEATURES OF A LINE GRAPH

The graph is a pictorial representation of data. It is a line graph showing the change in the number of students in a school over a period of five years. The x-axis represents the year and the y-axis represents the number of students. The line starts at 100 in 2017, rises to 120 in 2018, falls to 110 in 2019, rises to 130 in 2020, and falls to 120 in 2021. The graph shows an overall upward trend in the number of students over the five-year period.

Report of the Group Discussion held on 27th April 2023 at Smart Class Room, Balurghat College

Group discussion (GD) is a comprehensive technique to judge the suitability of an individual student and his appropriateness for admission, scholarship, job, etc. GD assesses the overall personality – thoughts, feelings and behavior - of an individual in a group. A topic is presented to the group members for discussion. Students get a chance to share their experiences and defend their opinions. Group discussions promote a deeper understanding of a topic and increase long-term retention. Group discussions can also help increase students' attention and help maintain their focus by involving them in the learning process.

Group Discussion is introduced in the Department of Geography with the sole purpose of catering to the needs of the students in the academic and personal level. A successful Group Discussion for B.Sc. IV Semester Geography Honours students was held on 27th April 2023 at 11.30 am onwards at Smart Class Room of the institute.

All the Faculty member of this Department attended the Group Discussion by the students of B.Sc 4th Semester Geography Honours on the various topics related to Paper DC8A, DC9A and Paper DC10A. In this Group Discussion 22 students participated in the Group Discussion on Paper DC8A, DC9A and Paper DC10A. Some of the topics of Group Discussion are – Hrishman Theory, Regional Disparities in India, Growth Pole Theory, Core-Periphery Model, Cotton Textile in India, Economic activity, fishing in India, Urban Waste Management, Green Marketing, Water Pollution and Ideal Ecosystem etc. During the Group Discussion session Faculty members asked some questions to the participants to judge the insight knowledge of the students regarding the presented topic.

Report of the Term Paper Presentation held on 19th April 2023 at Department of Geography, Room No 2, Balurghat College

A term paper presentation typically refers to the act of presenting the findings, analysis, and conclusions of a term paper to an audience. This presentation often involves summarizing the key points of the paper, explaining the research methodology, and discussing the significance of the findings. A term paper must contain the following parts: a title page, a table of contents, an introduction, a main part, a conclusion, and a bibliography (references). If needed, e.g. in advanced papers, it may also contain a list of abbreviations, a list of tables and figures, and an appendix. A term paper is a piece of academic writing in which a student demonstrates their knowledge of a topic of study. Term papers constitute a large portion of the final grade, making them a serious assignment.

Term paper presentation is introduced in the Department of Geography with the sole purpose of catering to the needs of the students in the academic and personal level. A successful Group Discussion for B.Sc. VI Semester Geography Honours students was held on 19th April 2023 at 11.30 am onwards at Department of Geography at Room No 2.

All the Faculty member of this Department attended the Term Paper Presentation by the students of B.Sc 6th Semester Geography Honours on the various topics related to Paper DC13A. In this Term Paper Presentation 22 students presented their Term Paper on Paper DC13A. Some of the topics of Term Paper are – Vulnerability to Cyclone Disasters in Indian Sunderbans, Floods in the Teesta River Basin, An Overview on Kerala Floods: Loss of Human lives as well as Biodiversity, Occurrence of Landslides and Management in Darjeeling Himalayas, Historical Trends of Cyclone over the Bay of Bengal and People’s Perceptions about cropping with cyclone in Kakdwip Block of South 24 Parganas, West Bengal, India etc. During the Term Paper Presentation session Faculty members asked some questions to the participants to judge the insight knowledge of the students regarding the presented topic.
