Enclosure 4 Activity for World Environment Day Celebration 2022

For taking up the Challenge to leave our footprints on Earth for a Sustainable Future and observe the World Environment Day June 5, 2022 few programs on Swachhata and Sustainability from May 28 to June 5, 2022 were held on our College campus and at the college adopted village Malancha. also.

An Outdoor Classroom with a healthy green environment at college campus was built up by the students of Honours and General course of UG & PG.

All the Students actively participated in the outdoor classroom under shades of campus trees such as Bakul bana, Gulmohor bana and other. They took the classes with knowledge that depicting the values on environmental protection.

The students took participated in cleaning the green campus as well as in drawing the theme of the world Environment day 2022 on “ Only One Earth”

Green Plantation: “Brikhsaropan” at College campus and College adopted Village Malancha was held on June 5 and an awareness campaigning for Future Sustainable Earth among village children was conducted by College students. As per observation of Faculty members of different departments such as Geography, Physics, Bengali Sanskrit, are that students listened to the concepts with much more interest in open classroom compared to the closed building or normal classroom. They enjoyed and interacted the natural surroundings much more. In response to the call given by MGNCRE to conduct activities on the occasion of World Environment Day – 5th June 2022, we have chosen the activity “Outdoor Classrooms and healthy open places on campus”. Our Principal Sir Dr. Pankaj Kundu took the initiation and motivated the faculty members of different courses The one week programs was observed by the department of Geography in association with NSS units of the College. In this connection a survey and ground study was made by the organising Department. Generate the College map with Google map and finally chosen few places under trees as convenient for outdoor classrooms.

After a discussion with the students we have initiated the activity first by cleaning the area by removing the waste and then made the place free of small stones convenience for sitting. Then we have arranged the white board and the took the classes.

Faculty members from different streams science and arts have taken few classes for the students in the outdoor classroom explaining the importance of need to protect all the life species present on the earth in addition to the actual subject.
